RE: DA2022/1985 - 27 Waine Street FRESHWATER NSW 2096

I would like to complain about DA2022/1985 at 27 Waine Street. As size and density of the DA will affect the limited parking and access on the corner will cause access issues in the dead-end street.

Considering the street is overflowing traffic and has one access in and out of Waine Street this DA will increase traffic and Parking problems and will exceed the capacity of the one entry point in out of Waine Street.
