RE: REV2022/0024 - 394 Barrenjoey Road NEWPORT NSW 2106

Disappointing that this submission has previously been declined. This appears to be the only viable option for the surf club moving forward. The current surf club presents a hazard to its users who are dedicating their time to the community. The current surf club is no longer fit for purpose and is well overdue for significant renovation. The presented submission is crucial in sustaining a valuable community asset.
