Subject: Telstra Tower at War Vets Village Narrabeen

Hello

Please vote FOR this tower to be built. Being able to communicate with the outside world – doctors, emergency services, etc – from a mobile phone , is almost a given right today and could be a life and death issue in the case of a medical emergency. The ability to use a mobile phone in this area needs this tower as soon as possible.

John Sowden - #58 – 10 Lakeshore Drive, Narrabeen.
