RE: DA2020/0008 - 3 Central Road AVALON BEACH NSW 2107

As per earlier response by Waites there is insufficient detail loaded to the council website in respect to this development to comment accurately and in detail. No detailed plans have been loaded to the website for meaningful comment.

From a high level perspective however the revision of the da would appear to be a very superficial while still breaching multiple requirements which should be meet.

Please load the full revision details asap. Have attempted to make phone contact with the Council's nominated contact.
