# IMPORTANT INFORMATION FOR APPLICANTS AND OWNERS

### **Preparing your Application**

Preparing a development application can be a complex process. To assist you in understanding the rules and regulations applying to development, Council provides a "Planning Enquiry" tool on our website which includes site specific information and checklists. Visit: www.pittwater.nsw.gov.au/building\_\_and\_\_development/eplanning\_portal

The Planning Enquiry tool will help to establish if what you propose is permitted on your land and then provide you with the relevant rules and requirements to assist you in the preparation of a development application. You will also be provided with a checklist and a number of guides which explain in more detail what supporting information is required.

### Documents and Plans accompanying this application

Council requires all plans and documents (including the Application form, any reports etc) to be provided in digital format (PDF) on a USB device. One file is to be submitted for each document or plan. See Council's Electronic Lodgement Guidelines for more details.
