Hello Anna-Maree,

Attached is the audio sample of Pickleball play I mentioned in my submission. Please share this with all of the reviewing panel so that they will have a better understanding of the annoyance this will cause residents from 8am - 9pm, 13 hours each and every day.

Thank you,

Hello Anne-Marie,

Attached is our submission for the above DA for outdoor Pickleball Courts at Pittwater RSL.

Please note the request at the bottom of the document to remove all personal identification information from the document when posted onto the council website and title it as "Submission - Details Withheld".

I will also be submitting a separate audio file of Pickleball play from the outdoor site used by the Acoustics firm for their measurements so that the assessing panel can have a better understanding of what residents would be subjected to.

Thank you for your assistance with this.

Regards,
