RE: DA2019/0329 - 9 B Beach Road NEWPORT NSW 2106

This property appears to have an encroachment into the Bungan Beach Reserve. You can see this from the satellite photo. I believe some years ago council arranged for a survey which proved that there was an encroachment however it has yet to be remedied.

Also I note that it appears that building materials and garden waste is being deposited into the reserve. As part of this DA application these issues should be resolved once and for all.
