RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

I want to oppose the Optus tower proposed for North curl curl. It would be in an area close to a school and where children regularly play and this is concerning to me. I am an optus customer who lives in the area and I have no issues with my service so don't feel its required.
