Subject: Development Application 2024/1740

I am the owner of 141 Lagoon St Narrabeen which adjoins the DA for the above application (139 Lagoon St Narrabeen) . The owner has consulted my husband and I on this new application and we believe it now satisfies to a large extent our concerns in the previous application. We therefore have no objection to it proceeding subject to any approval including a satisfactory " delapidatory clause " for our property .
