RE: DA2020/0412 - 1 Ross Street NEWPORT NSW 2106

RE Application # DA20200412.

At the moment we are overlooked by the backdoor and window, we have planted trees to reduce this as much as possible.

With the proposed plans the ground floor windows will be higher than the current floor level so the Ensuite, Bed 4 and living room will overlook is and worse still there will be 3 second floor windows, Bathroom, Ensuite and walk in robe, that will over look our back yard and pool on the south side.

This will greatly affect the amount of light in our back yard and pool and also we will feel like we are in a fish bowl with no less than 5 windows overlooking our pool and back yard.
