To whom it may concern,

My name is Anya and I am a member of the local Manly community (residing on Crown Rd in Queenscliff). It has been brought to my attention that Hugo's have placed a Development Application to extend their outdoor seating area.

I am writing this email as I strongly agree with the proposed plans. During COVID-19 we have been encouraged to support local businesses to remain afloat in these trying times. I strongly feel that having a wider seating area will allow more people to enjoy the benefits of sitting by the wharf with a meal, drink and bask in the gorgeous views manly has to offer, whilst maintaining social distancing.

I am very hopeful the council will consider approving the development.

Kindest,  
Anya Davis-Raiss
