Privacy and Personal Information Protection Notice

The personal information requested in this form is required by or under the Environmental Planning and Assessment Act 1979 and will only be used by Warringah Council in connection with the requirements of that Act and any other relevantly applicable legislation relating to the subject-matter of this application. The information is being collected for the following purposes, namely, to enable us to (1) process and determine your application, (2) contact you in relation to your application should that be necessary, and (3) keep the public informed by making the application publicly accessible. If you do not provide the information, Council will not be able to process your application, and your application will be rejected.

Your application will be available to Councillors and Council Officers. Members of the public have certain rights of access to information and documents held by Council under the Government Information (Public Access) Act 2009 (GIPA), and under the Privacy and Personal Information Protection Act 1998 (NSW) to the extent permitted by those Acts.

Warringah Council is to be regarded as the agency that holds the information, which will be stored on Council's records management system or in archives and may be displayed on E-Services Online (except as regards to personal particulars) You have a right to access information within the meaning of the Privacy and Personal Information Protection Act 1998 (NSW) on application to Council, and to have that information updated or corrected as necessary. Please contact Warringah Council if the information you have provided is incorrect or changes or if access is otherwise sought to the information. In addition, a person may request that any material that is available (or is to be made available) for public inspection by or under the Local Government Act 1993 (NSW) be prepared or amended so as to omit or remove any matter that would disclose or discloses the person's place of living if the person considers that the disclosure would place or places the personal safety of the person or of members of the person's family at risk. Any such request must be made to Council's General Manager see s 739 of the Local Government Act 1993 (NSW)

Modify a Consent Checklist

REQUIRED	SUPPLIED
Contact Council if you are unsure what details will be required for your modification application.	YES NO - WHY NOT
PREPARING YOUR APPLICATION	1
Three (3) copies of all documentation, <u>including the application form</u> are re- quired ONLY one (1) copy of the checklist is required Additional copies of documentation may be requested Highlight in colour all proposed modifications on the plans	
 Major development. new commercial, industrial and residential flat buildings Seven (7) copies of all documentation, <u>including the application form</u> are required Additional copies of documentation may be requested Highlight in colour all proposed modifications on the plans 	,
🗹 A4 PLANS FOR NOTIFICATION PURPOSES (7 copies)	
Proposed modifications must be highlighted, or otherwise identified.	
Provide seven (7) copies of A4 reductions of site plan and elevations (preferably 1 page), to be double-sided (excluding floorplans)	
These plans need not include interior detail which may effect your rights to privacy. However if such plans are provided, then the signature on the Development Application Form acknowledges and accepts that all relevant A4 plans submitted will be used for public notification purposes	
Non Notification Checklist	
If this was submitted with the original development application and the proposed modification still meets the criteria on the relevant checklist available from www war- ringah nsw gov au/plan_dev/online_ forms aspx Planning and Development /Online forms/Development Applications - Non Notification	/
1 PLANS	
Plans must be drawn to scale (preferably 1 100 or 1 200) Free hand, single line or illegible drawings will not be accepted The following information should be included on all plans and documents	
Applicant(s) name(s)	
Property address (block/house/shop/flat number)	
 Lot number, Section number and Deposited Plan / Strata Plan number Measurements in metric 	
The position of true north	-
Draftsman/architect name, date, plan name and number, plan version, and revision	
SURVEY PLAN A survey plan will be required if the proposed modification involves changes to the works footprint and the original survey submitted with the development application is more than two (2) years old	L L A Z
SITE ANALYSIS PLAN An amendment site analysis plan must be submitted if the proposed modification involves external changes to the building	
A site plan is a birds-eye view of the existing approved and proposed development on the site and its position in relation to boundaries and neighbouring developments.	
Please refer to the Development Application Checklist for details to be included in a site analysis plan	
L	4 of 11

REQUIRED	SUPPLIED
	YES NO - WHY NOT
An amended floor plan must be submitted if the proposed modification involves changes to the internal layout	
A floor plan is a birds-eye view of your existing and/or proposed layout of rooms within the development	
Please refer to the Development Application Checklist for details to be included in a floor plan	
Amended elevations must be submitted if the proposed modification involves external changes to the building	
Elevation plans are a side-on view of your proposal Include drawings of all affected elevations (north, south, east and west facing) of your development	
Please refer to the Development Application Checklist for details to be included in a elevation plan.	
Amended sections must be provided where relevant	
A section is a diagram showing a cut through the development at the most typical and critical points	
SECOND STOREY	
Amended elevations and sections showing proposed external finishes and heights, side boundaries and relevant side boundary envelope under WLEP 2011/WDCP are to be provided if the proposed modification involves external changes to the building	
V REVISED STATEMENT OF ENVIRONMENTAL EFFECTS	
This is a written statement which demonstrates the applicant has considered the impact of the proposed modification on the natural and build environments both during and after construction, and the proposed method of mitigating any adverse effects. The revised statement of environmental effects must address how the development responds to the relevant provisions of State Environmental Planning Policies, the relevant Warringah Local Environment Plan and Warringah Development Control Plan as relating to the modification proposal and all existing conditions of consent which will be affected by the modifications	
In addition, indicate that the proposed modification does not substantially alter the original proposal and justify the form of the application (ie, s96 (1), s96 AA, s96 (1A) or s96 (2))	
Please refer to the Development Application Checklist for details to be included in the revised statement of environmental effects	
Amended shadow diagrams must be submitted for proposals that involve external changes to the height, bulk or setbacks of the building	not ie
All shadow diagrams must be accompanied by the Certification of Shadow Diagrams form available from www.warringah nsw gov.au, Planning and Development /Online Forms /Development Applications	supplie
REVISED SUBDIVISION PLAN (Torrens or Strata)	
If you are planning to amend your approved subdivision you will need to supply a plan showing the approved subdivision and proposed changes, with land title details (including number of lots)	
REVISED LANDSCAPING PLAN	
An amended landscape plan is to be submitted if the proposed modification results in changes to approved landscape areas	5 of 1

REQUIRED	SUPPLIED
REVISED BASIX AND NATHERS CERTIFICATE	YES NO - WHY NOT
A revised BASIX certificate may be required	
Please refer to www basix nsw gov au or phone the BASIX Help Line on 1300 650 908	
REVISED ADVERTISING STRUCTURE/SIGN (Advertising applications only)	
If you are planning to modify an advertising structure or sign you will need to supply relevant details as contained in the Development Application checklist for advertising structures	
A revised statement of heritage impact is required for all modifications involving heritage items or works to buildings in conservation areas	
REVISED EROSION AND SEDIMENT CONTROL PLAN	
A revised erosion and sediment control plan is required for all works that require excavation if proposed changes affect the approved erosion and sediment control plan	
REVISED WASTE MANAGEMENT PLAN	
A revised waste management plan is required for new multi-unit residential or commercial developments if proposed changes affect the approved waste management program.	:
	, - -, r,
A revised contamination report must be submitted if the site was identified under the original application as being a contaminated site, or if previous activities on site indicate a potential for contamination,	
REVISED ON-SITE STORMWATER DETENTION CHECKLIST/ STORMWATER PLANS	
If proposed changes will affect stormwater disposal please provide amended stormwater drainage plan in accordance with Council's Stormwater Technical specification (including submission of the On-site Stormwater Detention Checklist) Ilsax or drains model are to be supplied on CD in accordance with Council's OSD Technical Specification	
REVISED GEOTECHNICAL REPORT - LAND SLIP AREA	
A revised geotechnical report is required for developments located in a slip zone if approved footprint or excavation is proposed to be amended	
BUSHFIRE HAZARD ASSESSMENT REPORT	
A revised Bushfire Hazard Assessment report is required to be submitted with all ap- plications	
The Report shall be commensurate to the scope of the modifications and shall ad- dress how teh development (as modified) responds to the requirements of Planning for Bushfire Protection (most recent version)	
REVISED ARCHAEOLOGICAL REPORT	
A revised archaeological report is required where the site may be impacted by items of archaeological significance if approved footprint or excavation is proposed to be amended	
REVISED FLORA AND FAUNA ASSESSMENT	
A revised flora/fauna impact report under section 5A of Environmental Planning and Assessment Act 1979 as amended is required where proposed changes will further impact on a protected species	
REVISED ACID SULPHATE SOIL MANAGEMENT PLAN	
A revised acid sulphate management plan is required for prone sites if approved footprint or excavation is proposed to be amended	6 of 11
