Subject: DA2020/1233

I've been a member of the Harbord Diggers Women's Bowling Club for the past 19 years and I am thrilled to see that Harbord Diggers is finally going to complete our bowling green which is now 6 years since my fellow bowlers and I finished playing at the old Harbord Diggers Club.

I can't wait to be playing bowls again at Harbord Diggers as it is an integral part of my life and I have missed the social and physical side of bowls particularly in the isolation during this COVID period. I sincerely hope that the Northern Beaches Council look favourably on the DA to finalise the bowling green at Harbord Diggers.

Sincerely yours,

June Naylor
