It is absolutely ridiculous to build more units in this area, as you cannot find a place to park anywhere ! You can't use the ferry because you can't park your car anywhere. Tradespeople, who come over from Ettalong, Wagstaffe & Patonga leave their trucks, utes & 4wheel drives etc not only near the ferry but further than the area your planning to push more units in and it is becoming impossible to go there, apart from with the bus! And then it's a problem with too much baggage. It's a bad planning decision.
