RE: Shadow diagrams that form part of Development Application for a new dwelling at 24 Sir Thomas Mitchell Drive, Davidson

As an Accredited Building Designer (no.6029) I hereby certify that the shadow diagrams submitted as part of the enclosed Development Application are correct and accurate. The site and building have been modelled in a 3d Cad software program using the levels provided from a land surveyor which are recorded in the survey provided.

Best regards,

Dick Clarke Director

Master of Sustainable Futures,
Dip. Bldg Dsgn, Accredited Building Designer No. 6029,
Fellow of Building Designers Australia
