RE: Mod2017/0106 - 894 Pittwater Road DEE WHY NSW 2099

To may this concern,

my reason for this objecting is mainly the noise problem. Our bedroom is directly on the side to the construction. Extending the working hours are going to have an impact on my health. Sleeping with noises is not as resting as sleeping peacefully. The noises have an impact on our every day life too. Sometimes it is impossible to let the window open, because you are the hole day surrounded with noises.

Thank you
