**RE: Mod2023/0684 - 1193 Barrenjoey Road PALM BEACH NSW 2108**

I fully support the extension of business hours for the beautifully recrafted Boatshed. I can't believe there is any opposition to the upgrading of this iconic establishment. It was in dire need of upgrades and took too long to happen due to ridiculous government red tape. Give the public what we are so deprived of, some varied choice in dining experience at wide ranging times.

For the benefit of staff and customers, longer trading hours are deserved. The attraction of visitors only assists in all business getting better foot traffic and inspires venues to do better. Make the northern beaches attractive for after dark as well, let them open as long as they wish....its isolated in location and there's tons of parking up there. Wishing Joeys all the best.
