RE: DA2019/1260 - 29 North Avalon Road AVALON BEACH NSW 2107

I've grew up in and around Avalon , the amount of development that has happened over the years and taken away the community atmosphere is declining , the traffic is just out of control and the respect to nature has disappeared With hardly any bush land left , we need trees ! Stop developing what is left have some kind of respect, why squeeze this development in ?? We don't need any more traffic or appartments.
Keep Avalon real !!
