RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

I lived on Adams st curl curl all my childhood and went to curl curl primary school. I also play netball on the courts on a Saturday and take my grandchildren to play at the park. We do not need or want the tower that may affect our children's health or impact the community in a negative way.
