RE: PEX2021/0001 - 161 Darley Street West MONA VALE NSW 2103

To whom this may concern. We are so close to the proposed development
Yet we have never been contacted by council. This is not what we expect from our council. I for
one am very concerned. The traffic this will cause alone is a huge problem, already a major
problem for Mona VALE. This street is already densely populated, the problems this will cause
with
Garbage collections etc , noise and the junction with Pittwater Rd, already
Dangerous
