**Notes:**

The levels and details on this plan have been determined by trigonometrical heighting methods and are within the general accepted accuracies for such surveys. All set out levels must be referred to the bench mark

Bearings and Distances are by title plan only and are subject to Final Survey. Except where shown by dimension, the relationship of improvements to boundaries is diagrammatic only. The true positions are subject to Final Survey.

Tree sizes are estimates and indicative only.

Services and utilities shown have been located by physical evidence and/or by reference to service plans from the relevant authorities. Pits may not have been opened to verify the type of utility. Excavation has not been carried out to confirm underground location. Service details should be confirmed with the relevant service authority during design and prior to commencement of construction.
