RE: Mod2021/0816 - 8 Forest Road WARRIEWOOD NSW 2102

The development amendments as advised in Council's correspondence are almost impossible to locate and have unfairly been put to local residents. There should be detailed information readily available for us to assess.

We do not believe that the access via Forest Road will be able to cope with an additional 200 resident vehicles when added to increased student numbers at Mater Maria.

This is a completely inappropriate development.
