**RE: DA2019/0134 - 74 Narrabeen Park Parade WARRIEWOOD NSW 2102**

The proposed plans indicate trees along the boundary line between our two properties. There are no trees in this area at present so we would request large, mature trees be planted prior to work commencement. This would address our concern regarding loss of privacy in our back yard, pool and spa area and backyard pool shower.

Many thanks. John Crook
