**Subject:** Support for submission 2020/0962. Hugo's Restaurant.

To whom it may concern,

Myself and my parents have been Manly residents all our lives. Growing up and going to school in the in the Manly Municipality has always been amazing. My children also attend Manly Village Public school and Balgowlah Secondary Campus.

I am big fan of Hugo's Manly and their commitment to maintaining and growing a world class venue on the gateway to Manly, Manly Wharf.

Their proposed extension to the existing deck and public area will beautify the western side of the Wharf and further the NSW government's and local council's directive to activate outside areas.

I have had business in Manly since 1986 and I believe we are blessed to have such a well run, family ,owner operated business at our door step.

I fully support Hugo's submission and hope that common sense prevails, and Manly Council understands the positive effect this extension will have on the Manly community.
