RE: DA2021/1620 - 31 Moore Road FRESHWATER NSW 2096

As a local resident im concerned that there is not enough parking in the area for the extra venue capacity already there are extra cars after the new revamped Hilton re opened parking in Moore lane and blocking our back gate so we couldn't enter or exit

there are more drunk people around the area at night causing noise disturbances and damages to vehicles after they leave the hotel and leaving rubbish

I will be concerned about the noise of the new bars at night which will affect me as im trying to get pregnant and hope to have a new born in 2022
