The General Manager, Northern Beaches Council

Dear Sir/Madam.

The proposed new works are for modifications to an existing dwelling.

This company has undertaken a review of the original report and the outcomes of the previous assessment.

It is my considered opinion as a person recognised by the New South Wales Rural Fire Service as a qualified consultant in Bushfire Risk Assessment that the results of the original bushfire assessment are still valid and no changes to the assessment are required.

Should any further clarification be necessary please do not hesitate to contact me.

Yours Sincerely
