RE: DA2021/1164 - 521 Barrenjoey Road BILGOLA BEACH NSW 2107

Hi there,

Times change and we have to accept that progress also means building and growth but this proposed structure would be far too imposing on the natural area. It's such a beautiful spot and this building will change it terribly.

We do need to preserve our beautiful area and this one seems to really be too much of an imposition.

Thanks,
Chantal
