Relics of the powder works in 19 NSW: and Carl Von Bieren (in cc Archives

MEET THE SWINDLER WITH N
The man known as Carl Von Bieri journey that led to the naming of Ingleside.

One of the most mysterious epis of the northern beaches is that o built at Ingleside in the 1880s an Powder Works Rd and Ingleside

But the biggest mystery of all is t man who perpetrated one of the tricks in Sydney in the 1880s bec different versions of his name an Anna might not have known his t they were even married.

Local historians Shelagh and Ge and historian Keith Amos have ir man behind the myth, who callec Bieren but who used various alia
