**RE: PEX2023/0002 - 2742 / 9999 Condamine Street MANLY VALE NSW 2093**

I understand from the masterplan that the squash court facilities will be demolished.

Will council be looking to relocate these squash court facilities in Manly?

In comparison to tennis, netball/basketball or soccer/rugby facilities within Manly and Northern Beaches, both squash and hockey facilities are under provisioned for.

What future facility provisioning does Council have for these two sports?
