RE: DA2019/1119 - 4 / 0 Bennett Street CURL CURL NSW 2096

I would like to object to this proposed market. As a supporter of Tim from Organic Scarecrow and his new Freshwater Organic Market - this proposed new market at Harbord would adversely affect Freshwater Organic Market and all the hard work Tim and his family and employees have put into establishing this new market in Freshwater which all the locals are loving and is breathing new life into the town. Any new market close to the local of Freshwater would be detrimental to the already established businesses there including the butchery and bakery and eateries to name a few.
