

Environmental Health Referral Response - industrial use

Application Number:	Mod2019/0052
To:	Lashta Haidari
Land to be developed (Address):	Lot 1 DP 706230 , 932 Pittwater Road DEE WHY NSW 2099

Reasons for referral

This application seeks consent for large/and or industrial development.

And as such, Council's Environmental Investigations officers are required to consider the likely impacts.

Officer comments

General Comments

The applicant proposes to load out materials -primarily demo waste- starting from 7 am instead of 8 am Monday to Friday. It has been suggested that this may hasten the overall construction period by allowing more space for demolition waste to be moved. Environmental Health supports the proposal without conditions.

Recommendation

APPROVAL - no conditions

Recommended Environmental Investigations Conditions:

Nil.
