RE: DA2025/0132 - 37 Roseberry Street BALGOWLAH NSW 2093

Please do not go ahead with this construction there is no room for traffic to flow and already chaotic full of traffic on Kenneth road and Roseberry street. It will also impact Mackellar high school as traffic will try to divert to the school area causing major safety concerns for children the roads are too narrow and already dangerous. this area is not safe to build there are no double roads and cannot drive down roseberry street with ease it banks up with woolworths, aldi, harvey norman and bunnings. It is pathetic that Mcdonalds would think to construct there when there are other areas they can take advantage of and not impact the community safety and flow of traffic. Please do not go ahead this is a very dangerous area to have high flow of customers going in and out of.
