RE: DA2020/0514 - 1 B Bolingbroke Parade FAIRLIGHT NSW 2094

I believe the development application will result in a much needed facility for paddlers - there is a large paddling community, who are, in general, respectful of the environment as well as others - and the DA will provide much needed storage for ocean skis, kaykas and SUPs. I believe that the provision of a relatively small scale kiosk/cafe as outlined in the DA application will be an improvement ascetically on the current structure as well as provide a service to residents and walkers. The boatshed is in a unique, beautiful and serene part of the harbour - and I believe that the DA is in keeping with it's setting.
