RE: DA2024/1376 - 7 Cooleena Road ELANORA HEIGHTS NSW 2101

Dear Council,

Since I have not received any letter regarding this proposal, and I had only one day to think about the concerns and submit an objection letter, I would like to add an important additional note to my previous letter as per below:

RE: DA2024/1376 - 7 Cooleena Road ELANORA HEIGHTS NSW 2101 Subject: Formal Objection to Proposed Development at 7 Cooleena Rd, Elanora Heights Property, (DA 2024/1376 - Lot G DP 408223)

Apart from the issues I have raised in my original letter, I have not given permission for any additional water to be channelled through my property. I am deeply concerned about the safety of my family and potential damage to my property. Increasing the water flow would put further strain on an already overloaded stormwater system, causing even more damage.

Thanks for considering all the points

Bakhtiar Sadeghi
