**RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099**

I strongly object to the installation of this tower for the following reasons.

- 1) The development does not comply with the Plan of Management for John Fisher Park
- 2) It is a sensitive environmental area
- 3) The case hasn't been made by the private operator to warrant a new phone tower on public land
- 4) The development will be over 25m high and the application includes "associated equipment" which means more infrastructure can be built at the bottom of the facility
