RE: REV2022/0004 - 16 Bangaroo Street NORTH BALGOWLAH NSW 2093

Objection to Application Number REV2022/0004 - Proposed Boundary Fence

As a Neighbour I do not accept the proposed boundary fences for numerous reasons :

- The bulk/density of the sound barriers is oppressive on my boundary
- Potential loss of light - no shadow is displayed on the plans
- Future costs of maintenance being much higher V's a standard boundary fence
- this proposed fence does not meet the spec of the noise abatement report it is too low
- there would be disruption to a established garden with a large investment of funds to recently landscape
- I will not agree to my current fence being removed as I have placed internal bamboo decorative sheets at a large cost to myself
