**RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099**

I object to the telecommunication tower being built. Reasons being

- 1/ it is in close proximity to curl curl public school (under the recommended distance) Where 900+ students attend 5 days a week
- 2/ it is within very close distance to sporting fields again attended by hundreds each weekend and during the week!
- 3/ too close to housing , not only for the radiation , but who wants to pay millions for a house by the beach to look out there front door at a telcoms tower!
- 4/ its an ugly structure
- 5/ I feel there would be much better suited places for it to be erected that isnt so densely populated.
