Dear Council,

We are doing the food stall for the last 12 years with the Organic food markets
Customers like to come very early for the fresh food before 8 am as soon as they get up on a Sunday Morning.

Start trading at 8.30 am is we loose about more 50 percent of the morning breakfast customers and they don't like
we holding them till 8.30 am. Customers complain we are cruel to the customers .

Our customers are from 3 years to above, they need an early breakfast serving.

Please support in letting us to do the early morning trading. After all its our hard work dedicating our weekend
bringing fresh food for the local people.

Thank you,
Durga
