RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

To whom it may concern, I would like to formally object to this DA. My main objection is focused on the proposed traffic on Robinson Rd. and how it goes against the Newport Master Plan. The NMP focuses on pedestrian traffic and not vehicular traffic on this road. I would like to see the NBC take notice of what the locals have asked for and I believe allowing this DA to go through would be the disaster.
