To Mr. Peter Watts

Re: 34 Mathews Street, Davidson NSW 2085

Date:20<sup>th</sup> September 2022

Ref: 3010

The house is on the high side of the road.

I have inspected the house storm water system and I can confirm that the rain water that hits the roof is collected in gutters and the down pipes and is discharged via gravity to the road via a kerb adaptor.

The new addition will be connected to this system which is capable of withstanding the additional load.

If you require any further assistance please do not hesitate to call me

Kind Regards,

Mike Capper
