Subject: 4 Delmar Parade and 812 Pittwater Road, Dee Why - DA Number: DA 2022/0145 -
Panel reference: PPSSNH-304

To whom it may concern,

I would like to add support to this development.

I believe it will be great due to the permanent storm water infrastructure upgrade for the locality.

It will also be amazing to replace the current very poor and dangerous interface with Stoney Range Reserve, this presently lacks any passive surveillance, with an engaged facade and profoundly improved safety outcome.

Many thanks
