Written Submission Supporting Approval of Application for alterations and
additions and coastal protection works to Newport Surf Life Saving Club'

We are owners and residents of "The Breakers" apartment building at 32 Ross St, adjacent to the Newport Surf Club. Like many beach users, my wife and I are thankful for the beach safety offered by the Newport Surf Club and fully support the improvements and additions which the club considers necessary.

As we walk the beaches from Palm Beach to Manly, we notice that most other surf clubs have updated their buildings and services, which is good for the clubs and the community. We don't see why Newport should be turned into a surf club museum and we look forward to seeing the upgrade.
