MRS Lynette Delalande
A102 / 7 Skyline place ST
Frenchs forest NSW 2086
[REDACTED]

RE: DA2024/0917 - 79 Frenchs Forest Road East FRENCHS FOREST NSW 2086

The application includes new windows that will severely impact our privacy. They will directly look into both bedrooms, bathroom and study, particularly given that the use detailed on the plan is for a recreation room.

As the business operates 24 hours, the lights from this building already affect our homes.

If this application is to go forward, please amend to frosted glass in the windows, which will provide light but preserve our privacy.

We are already impacted by a casual outdoor area which is used for smoking and conversation at all hours of the night.
