Brookvale NSW 2100

**RE: DA2024/0675 - 80 - 82 Mona Vale Road MONA VALE NSW 2103**

Strongly in support of making pickleball courts at Pittwater RSL.  
This fabulous sport is aimed at an older age group and has incredible health benefits including cardiovascular fitness and mental health benefits from being part of a great, fun loving, community. Really anything that the council can do to get people outdoors, exercising or building community is a great idea.
