

Natural Environment Referral Response - Coastal

Application Number:	DA2021/0307
Date:	08/04/2021
Responsible Officer	Dean Pattalis
Land to be developed (Address):	Lot 1 DP 315635 , 8 Monash Parade DEE WHY NSW 2099

Reasons for referral

This application seeks consent for land located within the Coastal Zone.

And as such, Council's Natural Environment Unit officers are required to consider the likely impacts on drainage regimes.

Officer comments

The subject land has been included on the 'Coastal Environment Area' and 'Coastal Use Area' maps but not been included on the Coastal Vulnerability Area Map under the State Environmental Planning Policy (Coastal Management) 2018 (CM SEPP). Hence, Clauses 13, 14 and 15 of the CM SEPP apply for this DA.

As assessed in the submitted Statement of Environmental Effects (SEE) report, the DA satisfies the requirements under clauses 13, 14 and 15 of the CM SEPP.

As such, it is considered that the application does comply with the requirements of the State Environmental Planning Policy (Coastal Management) 2018 and is supported without condition.

The proposal is therefore supported.

Note: Should you have any concerns with the referral comments above, please discuss these with the Responsible Officer.

Recommended Natural Environment Conditions:

Nil.
