RE: REV2022/0004 - 16 Bangaroo Street NORTH BALGOWLAH NSW 2093

Hello,

I object to this development for the following reasons:

- Increased traffic in this area will increase the risk of an accident impacting the school children that walk home / oshc and don't have a safe crossing
- there is inadequate parking to meet the school needs without adding additional traffic
- there are existing childcare services with capacity
- the number of young families in this area is falling, schools are reducing the number of classes they offer
