Dear Sir/Madam

**Building Certificate Application for Building certificate application for unauthorised work at
131 GONDOLA ROAD NORTH NARRABEEN NSW 2101.**

Reference is made to Council's correspondence dated 03/09/2010 outlining work to be carried out in respect of the abovementioned premises, prior to determination of the Building Certificate application.

It is noted that over 4 years have now elapsed and advice as to compliance with Council's requirements, or any other representation regarding this matter, has not been received. Accordingly the application is now refused and no further consideration will be given to the issue of the Certificate under this application.

Should you require further information please do not hesitate to contact me and I will be pleased to assist you.

Yours faithfully

Wal Dover
