RE: DA2020/1097 - 0 Campbell Parade MANLY VALE NSW 2093

Campbell Pde is already an extremely busy street. Drivers actually regularly stop their vehicles across our driveway whilst waiting to get a parking space. It's pretty frustrating trying to get in and out of our garage and the drivers actually look away until we have to beep them to move. Your proposal will only cause more traffic, more parking problems and more noise. We already put up with a lot of noise each evening from sports on surrounding parks both day and night. Please do not proceed your proposal - it's only going to cause further issues for residents who are already struggling.
