RE: DA2020/0514 - 1 B Bolingbroke Parade FAIRLIGHT NSW 2094

Dear Assessing Officer

I would like to support the Many Boatshed application for alterations and additions to existing boat shed and marina , including demolition of jetty, wharf, deck and associated structures; modification of the boat shed building; new kiosk within the boat shed building; construction of a new deck level; new passive craft storage shed and tender office; and new floating pontoon.

As a local who has lived in the area all my life, I know that Manly Boatshed is a family owned and run local business that has been in the area for over 40 years. The current facilities are well worn and need updating, repairing and modifying to stay current and relevant to this generation of boat and kayak users. The Manly Boatshed offers services to the local community, especially those who access their boats & kayaks from the boatshed.

As a walker, I go by the boatshed most days and would welcome a coffee stop at this beautiful location on the water. As a community we are encouraging people to stay active and the location of the boatshed on the Spit/Manly walk is a welcome drink/toilet/water stop for locals and visitors.
