RE: Support for DA2023/1237 - 11 Boola Place CROMER NSW 2099

As a resident of northern beaches with young boys that enjoy cricket combined with the growing popularity of short formats of the cricket such as the popular BBL. I would like express our full support for the development of an indoor cricket facility at 11 Boola Place, Cromer. Such a facility will provide alternate option of games and provide all weather training facilities for all age groups

Whilst this development is proposed by the Manly Warringah District Cricket Club it will no doubt particularly serve the younger generations and support the sustainment and growth of the Manly cricket pathway across both male and female cricket.

Kind Regards
Stephen Mackay
